

STUDENT CONSENT FOR EDUCATIONAL RECORDINGS

By execution of this STUDENT CONSENT FOR EDUCATIONAL RECORDINGS (this “*Consent*”), the undersigned student (“*Student*”), or their authorized guardian, hereby consents to and acknowledges that the Educator named below (“*Educator*”), including their educational institution and online teaching platforms, is expressly authorized to undertake the following actions in connection with Student’s participation in Educator’s classroom and general educational activities:

- (1) Record Student’s likeness, appearance, statements, voice, and classroom and instructional participation through photographs, videos, online recordings on teaching or LMS platforms, or any other media or presentation format (collectively, “*Recordings*”).
- (2) Use and depict Student’s general appearance, likeness, and voice in connection with these Recordings.
- (3) Share Student’s general appearance, likeness, and voice in the Recordings to any online platform or LMS that Educator uses, or views as reasonably necessary, for Educator’s instruction and educational activities.
- (4) Revise, annotate, edit, create derivative recordings, and otherwise reasonably modify the Recordings.
- (5) Distribute the Recordings (and Student’s likeness and appearance therein) in whole or in part for any reasonable educational purposes of Educator, doing so through any format or medium related to Educator’s instructions and educational activities.

Student, or their guardian, understands that the Recordings are not automatically deemed ‘*Education Records*’ under the Family Educational Rights and Privacy Act (“FERPA”), unless such Recordings directly (and not incidentally) depict Student. However, Student may freely revoke this Consent at any time by making a request to Educator.
